housing.

Attorney's Docket No. K&A 99-0925 Client's Docket No. KCM239

ABSTRACT OF THE DISCLOSURE

A pool table decorative light for directing light toward a pool table and covering a light assembly. The pool table decorative light includes a light housing, the light housing has an open bottom side such that an interior and exterior of the light housing are defined. The light housing has a shape generally resembling a car.

The light housing has a pair of openings therein such that each of the cables holding a light assembly may extend through one of the openings such that the light housing may be positioned between the light assembly and the ceiling. A plurality of accessories may be

used for individually decorating an exterior surface of the light
